

**8th Annual Research Symposium**  
**Call for Papers**  
**Sensors, Automation and Diagnostics in NDE**

**March 22-26,1999 Orlando Marriott International Drive Orlando, Florida, USA**

Held in conjunction with ASNT's 1999 Spring Conference. The Eighth Annual Research Symposium will provide a forum for the exchange of information related to the conference theme Sensors, Automation and Diagnostics in NDE. Abstracts pertaining to the research symposium are solicited in the following topics:

**Specific Topics:**

- Sensors for Smart Structures
- Role of NDE in Robotics
- Medical Diagnostics
- Infrastructure
- General NDE and Applications
- Technology Transfer
- Non-Contacting Sensors
- Advanced NDE Data Processing for Decision Making

Abstracts selected for the Research Symposium will be printed in the conference program and distributed to attendees. Authors are encouraged to submit manuscripts for publication in ASNT's journal, *Research in Nondestructive Evaluation*.

Speakers will be allowed 20 minutes for presentation and questions and answers.

**Abstract Deadline** December 1, 1998, and should be sent via mail, fax, e-mail or directly on the ASNT's web site to the Symposium Chairmen:

Mail: ASNT, 1711 Arlingate Lane,  
P.O. Box 28518

E-mail: [lhoheisel@asnt.org](mailto:lhoheisel@asnt.org)  
website: <http://www.asnt.org>

For camera-ready reproduction, abstract should be in 12 point, Times New Roman, single space, 1 1/4 inch margins. Reference abstract format shown on the right.

The camera-ready abstract with copyright release should be received by ASNT no later than February 1, 1999.

ASNT will not reproduce material in any format, including abstracts, summaries and technical papers, without a signed transfer of copyright from the author to the American Society for Nondestructive Testing, Inc.

## ASNT's Mission

- To provide a forum for the exchange of NDT technical information.
- To provide training, standards and services for the qualification and certification of NDT personnel.
- To promote the discipline of NDT as a profession.
- To facilitate and promote NDT research and the application of NDT technology.
